FEATURES

- Indication audio buzzer
- Automatic setting (No adjustment required)
- 12V Adaptor Charger
- Light weight
- Strong ABS Body
- Ultra-sensitive
- Instant operation
- Search Area: 90 sq.mm
- Detects all types of ferrous and non-ferrous Metal Alloys
- Audio and Visual Indication
- 9V Rechargeable NI-MN Battery.
- Battery life: More than 40 hours.
- Dimension: 330 (l) X50 (w) X35 (h)

DESCRIPTION

Beetech BMD-100 is a carefully designed device for detecting Metal on Human. It is designed as per IS Standard with proven dependability, durability, ultra high sensitivity and easy of operation. It is most in demand in Security forces, Airports, Army, Navy, Indian Customs, Government, Institutes, Malls, Jewellery stores, Commercial Complexes and many other areas where security is necessary. Detects even small pins, tobacco and pan masala packets

SPECIFICATION

Colour indication:
RED – Metal Detection
GREEN – Power On
YELLOW – Charge indication

Sensitivity 0.1gm of any metal with minimum 6mm diameter can detect from 20 mm distance.
